Technical Direction		
We noticed the spanset supporting the front façade is on the wrong side of the batten for the legs on lineset 4, so they aren't able to come all the way in.		
Costuming:		
Nothing to report.		
Sound:		
Nothing to report.		
Multi-Media		
Could we add a projection at the top of show as a title screen? I will stop by in the morning to give you more details.		
Props:		
<p>Could we please get:</p> <ul style="list-style-type: none"> -a second purse for money -a note that will be a receipt for the chain. <p>We would also like to start using the meat on the skewers for first dress if that is possible.</p>
